

GRANTS FOR ARTISTIC PRACTICE

INTRODUCTION

In its capacity as observatory of the Basque artistic context and in order to address an identified need for support for and protection of the processuality inherent in artistic work, the Directorate for the Promotion of Culture of the Department of Culture of the Basque Government, through the **eremuak** Programme (hereinafter, “**eremuak**”), whose management is currently entrusted to the CENTRO INTERNACIONAL DE CULTURA CONTEMPORÁNEA, SA (hereinafter, “TABAKALERA”), launches a new call for applications for 2 grants for Artistic Practice.

Based on our trust in the work of artists, the aim is to contribute, through this call, to the creation of working time free from the constraints of predefined projects and, in general, unattached to any requirements that are not linked to the creation process itself. **eremuak** also seeks to establish a dialogue with the beneficiaries that will be enriching in both directions, and that is returned to the public domain through **eremuak**'s own channels, such as its website, social networks, sessions to present activities and/or publications.

We consider that, in parallel to the **eremuak** Continuous Call for applications and its specificities, these new grants will fill a gap in the framework of the support systems for artistic practices in the Basque Autonomous Community (hereinafter, “BAC”).

The above-mentioned grants for artistic practices are announced within this context, according to the following term and conditions:

TERMS AND CONDITIONS

1. PURPOSE

- The purpose of these terms and conditions is the invitation by **eremuak** for applications for **two grants for Artistic Practice**, aimed at covering specific needs to be determined in the statement of intent by the applicants during the period of their duration, with the purpose of facilitating periods of dedication to the carrying out of their own work.
- Benefiting from this aid is incompatible with any other institutional aid for the same purpose and it may only be obtained on a single occasion. It is also incompatible with other **eremuak** calls for applications in force during the same year.

2. BENEFICIARIES

- The grants may be requested by natural and legal persons wishing to engage in artistic practice.
- Both grants will be awarded to people, regardless of age, with tax residence in any municipality of the BAC.

- In general, each party must pay the relevant taxes in accordance with the regulations in force in Spain.

3. DURATION

- The non-extendable period during which to benefit from the grant will be **nine months**.

4. RESOURCES

- The amount of each of the grants will be **9,000 euros**.
- Where appropriate, the amount of the grant will be subject to retention for tax purposes.
- This amount covers costs of travel, accommodation, meals, studio rental, purchase of materials, books, etc. and, in general, it may be assigned to all activities that the beneficiary considers appropriate for the carrying out of their practice.
- The grant will be paid in two payments: the first, once the selected artists have formally accepted the jury's decision. The second payment will be made before the end of 2020.

5. CONDITIONS

- The grant will be enjoyed from the time it is awarded, for the agreed period and without interruption.
- The grant will be considered definitively awarded when **eremuak**, after notifying the award decision, receives acknowledgement of receipt of this notification and acceptance of the grant from the applicant.

6. COMMITMENTS OF THE BENEFICIARIES

- The beneficiaries commit themselves to complying with the rules specified in the different sections of these terms and conditions at all times during the course of their work.
- They will implement the statement of intent for which the grant has been awarded within the established period, complying with the report presented, and will not be able to claim prior or subsequent commitments as impediments.
- They will attend the monitoring sessions that **eremuak** will request during the period for which the grant has been awarded to establish the dialogue, characteristic of this call for applications, between its Technical Committee (CTT) and the beneficiaries. For this

purpose, studio visits or personal meetings between the beneficiary and the **eremuak** CTT are proposed.

- Before the end of 2020, the selected artists agree to provide a preliminary report of the work plan they will carry out during the grant.
- In the month after the end of the grant period (with a final deadline of December 2021) the beneficiary undertakes to send **eremuak** a report which includes a final evaluation of the results and use of the grant, according to the statement of intent set forth in the application, accompanied by graphic documentation of the works created or the work material produced if appropriate. Receipt of this will be regarded as the termination of the Artistic Practice for which the grant has been awarded.
- They will provide the textual or graphic material that **eremuak** requests from them in order to incorporate this into the **eremuak** communication and dissemination systems and meet the requirement of participation in a public presentation of the work carried out.
